What a busy and quick term we have had. Staff, students (and families) have worked very hard to ensure individual and school goals are in place and working towards being achieved. I would like to thank parents for supporting students and our school by ensuring effective relationships have been developed. We have focused on improving communication with families to support students. We will continue to work in this area to meet the needs of our community.

We now have a short break before returning for another very active and busy term. Staff and students will take a well-earned break. I hope we can all recharge our batteries and prepare to commence term two with a very positive attitude. Term Two is always very busy with the additional NAPLAN process for years 3 and 5 students. We look forward to meeting the challenges of the new term.

Have a safe break.

Settlers Primary will be hosting its Anzac Day ceremony on Friday 8th April (last day of Term 1) at 9am. We are asking for flower donations to be brought to school on Thursday 7th April to be made into wreaths for each block. If you can help it would be greatly appreciated.

**CANTEEN MEAL DEAL**

The Canteen will be offering an end of term meal deal this Friday. For $5 students will receive all the goodies pictured, a sausage roll and sauce, a plain milk with a sippa straw and a vanilla ice cream bucket. Please place your orders early to avoid missing out. Please note that no other canteen items will be available for lunch on Friday. Order forms have been sent home or are available through the Skoolbag app or at the canteen.

**MOTHER’S DAY STALL**

Mother’s Day is on Sunday the 8th of May. To help our students show their appreciation of everything their Mum’s do for them the P&C is holding a Mother’s Day stall.

Each class will have an opportunity to visit the stall on Wednesday 4th of May and the stall will be back on Thursday for any Kindy classes that were not at school on Wednesday.

A wide range of gifts will be on sale with prices starting from $2.

On Thursday 31st March our Year 3 to Year 6 students attended a free waterwise session at our school presented by Captain Waterwise from the Water corporation.

Some of his suggestions to help save water are:

- Install a watersaving showerhead
- Reduce sprinklers times by 2 mins
- Keep showers short no more than 4 mins
- Always use the washing machine and dishwasher for a full load
A big Thank you to everyone who participated in our Bali Beach dress day last Friday. Everyone looked great in their bright beachy clothing despite the wet start to the day. The total amount raised was $690.55 which will be donated to our sister school S.D.4 Pecatu in Bali, to fund a teacher.
